DESCRIPTION:

REVISION 1: SCHEDULE CHANGES AND VARIOUS CHANGES THROUGHOUT

PRODUCT: Medical Reflex Hammer.

COLOR: Black.

MATERIAL (latex-free materials):

Head: The silicone triangular head has a beveled apex and base to elicit myotatic reflexes. The soft base and rounded apex are perfectly suited for provoking myotatic responses by striking precise location of tendons. It is also suited to obtain chest sounds and to percuss the abdomen

Handle: The weighted chrome-plated zinc-alloy handle is precisely balanced for increased control of percussion force. The encircling band with pin firmly secures the triangular head midway between the bumper apex and base. The handle is also designed with a pointed tip for eliciting cutaneous and plantar reflexes.

PRINTING (Screen Printing Required): Print face only on the handle bottom part with suitable size NY Army National Guard logo (opaque white, Pantone's 123C Gold, and process black), and one line of type (Black) under the logo. Note: MUST follow the "clear space" rule that can be referenced on page 15 of ARNG Brand Portal Information.

TYPESETTING: Contractor to typeset one line of type (NYArmyNationalGuard.com) in a suitable typeface and type size (font) following ARNG Brand Portal Information (Agency to approve or ask to edit electronic proof). NOTE: Contractor to expect the Government to approve the size or ask to enlarge or reduce it when PDF proof is submitted.

WARRANTY: Contract Clause 15, "Warranty", of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)) is amended for the solicitation to the effect that the warranty period is EXTENDED from 120 days to one calendar year from the date the check is tendered as final payment. All other provisions remain the same.

MATERIAL FURNISHED: Contractor to receive. Via email after award.

One (1) eps file for the logo created on a MAC using Adobe Illustrator CC. Contractor to convert yellow to pantone's 123C Gold, and black to 100% process black, and resize as necessary.

Contractor must call GPO Contract Compliance Section at (202) 512-0520 immediately upon E-Mailing proofs and immediately upon receiving the returned proofs (or OK E-Mail) back from the Department. Proofs will be withheld not more than (3) workdays from receipt at the Department to receipt in the contractor's plant.

PLUS (after electronic proof approval).

PRIOR TO PRODUCTION SAMPLES

Prior to the commencement of production of the contract production quantity, the contractor shall submit one (1) sample to: Recruiting and Retention for Army National Guard, 25 Gibson Street, suite 317, Watervliet, NY 12189. Samples will be tested for conformance of materials and for construction. Each sample must be constructed as specified using the form, materials, equipment, and methods of production, which will be used in producing the final product. All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.

Samples will be inspected and tested and must comply with the specifications in all respects. The container and accompanying documentation shall be marked PREPRODUCTION SAMPLES and shall include the GPO jacket, and purchase order. The samples must be submitted in sufficient time to allow Government testing of the samples and production and shipment in accordance with the shipping schedule.

The Government will approve, conditionally approve, or disapprove the samples within (3) workdays of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished, and necessary

changes made, at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the additional samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve, or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with Contract Clause 12, "Notice of Compliance With Schedules," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)).

Manufacture of the final product prior to approval of the sample submitted is at the contractor's risk. Samples will not be returned to the contractor. All costs, including the costs of all samples shall be included in the contract price for the production quantity.

All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.

Note: Agency must approve electronic proof and prior to production samples before going to full production.
