equal to a sheet of paper with information on one side and a blank back. 2 images is equal to a sheet of paper with information on both the front and the back side. SecureScan LLC has provided document scanning services similar to what is listed in the specification for New York State government agencies since 2003. We are willing to provide multiple government customer contact references to justify our quality levels. We have been deemed essential for our ongoing document scanning multiple New York State agencies during the COVID-19 pandemic. We are not a printing company so we are unable to provide printed samples to determine a quality level and it does not apply to the services we provide.

30,912 pages X \$0.06 per page = \$1854.72. Includes all required activities. Questions email cbeasley@edgedigitalgroup.com.
